

<b>T100 Agriculture Drone</b>	
<b>Main Component</b>	<b>Warranty Period</b>
Aerial-Electronics System Module (Incl. Barometer)	12 Months
Cable Distribution Board	12 Months
Power Distribution Board	12 Months
Motor	12 Months
ESC	12 Months
Quad Fisheye Vision System	12 Months
FPV Module	12 Months
RTK Antenna Module	12 Months
Active Phased Array Radar	12 Months
Front Lower Radar	12 Months
Rear Blind Spot Radar	12 Months
Laser Radar	12 Months
Beacon	12 Months
Control Module	12 Months
Aircraft Frame (including middle frame, Aircraft Arm)	12 Months
<b>Intelligent Flight Battery Related Components</b>	<b>Warranty Period</b>

DB2160 Intelligent Flight Battery	1500 Cycles or 12 Months (whichever comes first)
-----------------------------------	---

C12000 Intelligent Charger	12 Months
CC15000 Intelligent Car Charger	12 Months
Air-Cooled Heat Sink	12 Months
<b>Remote Controller</b>	<b>Warranty Period</b>
Smart Controller	12 Months
65W Portable Charger	12 Months
RTK High-Precision Positioning Module	12 Months
RTK Dongle Adapter	12 Months
4G Enhanced Transmission Module	12 Months
<b>Vulnerable Parts</b>	<b>Warranty Period</b>
Impeller Pump	3 Months
Centrifugal Sprinkler	3 Months
Mist Sprinkler	3 Months
Flowmeter	3 Months
Liquid Level Gauge Sensor	3 Months
Solenoid Vent Valve	3 Months
Landing Gear (including Y-tee part and other accessories, buckle)	15 Days
Hose	15 Days

Spray Tank	15 Days
Propellers and Propeller Adapter	15 Days
Internal Aircraft Wiring (see appendix)	3 Months
External Aircraft Wiring (see appendix)	15 Days
Charger Cable	15 Days
Other Components	15 Days
Supplement	No Warranty
Packaging Material	No Warranty
<b>Other Accessories</b>	<b>Warranty Period</b>
D-RTK3	12 Months
DJI Relay 2	12 Months
4G Enhanced Transmission Module	12 Months
Hoisting module	12 Months

**Appendix:**

<b>Internal and External Wiring Table (Aircraft &amp; Spraying)</b>	<b>Wiring Category (Internal/External Wiring)</b>
<b>FPV Camera Signal Cable</b>	<b>Internal</b>
<b>Four Vision Sensor Signal Cable</b>	<b>Internal</b>
<b>Upper Radar Signal Cable</b>	<b>Internal</b>
<b>Front Lower Radar Signal Cable</b>	<b>Internal</b>
<b>Aircraft Arm Signal Cable</b>	<b>Internal</b>

<b>Aircraft Arm Power Cable</b>	<b>Internal</b>
Payloads Adapter Cable	External
Atomized Sprinkler Adapter Cable	External
Pressure Liquid Level Meter Cable	External
Sprinkler Delivery Pump Flow Meter Cable	External
LED Light Cable	External
Backward Vision Radar Signal Cable	External
ESC Sprinkler Adapter Cable	External

<b>T Series Spreading System (Other Products)</b>	
<b>Main Component</b>	<b>Warranty Period</b>
Control Module	12 Months
Material Detection Motor	6 Months
Spinner Disk Motor	6 Months
Auger Motor	6 Months
Load Sensor Module	3 Months
Operation Tank	15 Days
Structural Components (including Throwing Disc, Auger, and Other Structural Components)	15 Days
Single-point Hall Sensor	15 Days
Cable	15 Days

Auger Component	15 Days
Spinner Disk	15 Days
Other Components	15 Days
Supplement	No Warranty
Packaging Material	No Warranty

<b>D14000iE Multifunctional Inverter Generator</b>	
<b>Main Component</b>	<b>Warranty Period</b>
Fuel Tank	12 Months or a cumulative usage of 1000 hours (whichever comes first)
Muffler	12 Months or a cumulative usage of 1000 hours (whichever comes first)
Controller Module	12 Months or a cumulative usage of 1000 hours (whichever comes first)
Control Panel Assembly	12 Months or a cumulative usage of 1000 hours (whichever comes first)
Frame	12 Months or a cumulative usage of 1000 hours (whichever comes first)
Engine	12 Months or a cumulative usage of 1000 hours (whichever comes first)
Electronic Fuel Injection	12 Months or a cumulative usage of 1000 hours (whichever comes first)

Air Filter Assembly	12 Months or a cumulative usage of 1000 hours (whichever comes first)
Motor	12 Months or a cumulative usage of 1000 hours (whichever comes first)
Other Consumables and Standard Parts	No Warranty
