

T25P Agricultural Drone	
Main Component	Warranty Period
Aerial-Electronics System	12 Months
Payload Control Board	12 Months
Power Distribution Board	12 Months
Motor	12 Months
ESC	12 Months
Binocular Fisheye Vision System	12 Months
FPV Module	12 Months
RTK Antenna Module	12 Months
Active Phased Array Radar	12 Months
Folding Detection Sensor	12 Months
Auxiliary Light Module	12 Months
Aircraft Frame	12 Months

T Series Spreading System (T25P)	
Main Component	Warranty Period
Material Detection Motor	6 months
Spinner Disk Motor	6 months
Auger Motor	6 months

Operation Tank	15 Days
Structural Module	15 Days
Cable	15 Days
Auger Component	15 Days
Spinner Disk	15 Days
Single-point Hall Sensor	15 Days

Intelligent Flight Battery Related Components	Warranty Period
DB2100 Intelligent Flight Battery	1500 Cycles or 12 Months (whichever comes first)
DB800 Intelligent Flight Battery	1500 Cycles or 12 Months (whichever comes first)
C10000P Intelligent Charger	12 Months
C5000 Intelligent Charger	12 Months
DB2100 Air-Cooled Heat Sink	12 Months
Remote Controller	Warranty Period
Smart Controller	12 Months
65W Portable Charger	12 Months
RTK High-Precision Positioning Module	12 Months
RTK Dongle Adapter	12 Months

4G Enhanced Transmission Module	12 Months
Intelligent Battery	12 Months
Intelligent Battery Charging Hub	12 Months

D9000iP Multifunctional Inverter Generator	
Main Component	Warranty Period
Fuel Tank	12 Months or a cumulative usage of 1000 hours (whichever comes first)
Muffler	12 Months or a cumulative usage of 1000 hours (whichever comes first)
Power Assembly	12 Months or a cumulative usage of 1000 hours (whichever comes first)
Control Panel Assembly	12 Months or a cumulative usage of 1000 hours (whichever comes first)
Frame	12 Months or a cumulative usage of 1000 hours (whichever comes first)
Engine	12 Months or a cumulative usage of 1000 hours (whichever comes first)
Carburetor Assembly	12 Months or a cumulative usage of 1000 hours (whichever comes first)
Air Filter Assembly	12 Months or a cumulative usage of 1000 hours (whichever comes first)

Motor	12 Months or a cumulative usage of 1000 hours (whichever comes first)
Hand Start Component Assembly	12 Months or a cumulative usage of 1000 hours (whichever comes first)
Other Consumables and Standard Parts	No Warranty

D12500iE Multifunctional Inverter Generator	
Main Component	Warranty Period
Fuel Tank	12 Months or a cumulative usage of 1000 hours (whichever comes first)
Muffler	12 Months or a cumulative usage of 1000 hours (whichever comes first)
Controller Module	12 Months or a cumulative usage of 1000 hours (whichever comes first)
Control Panel Assembly	12 Months or a cumulative usage of 1000 hours (whichever comes first)
Frame	12 Months or a cumulative usage of 1000 hours (whichever comes first)
Engine	12 Months or a cumulative usage of 1000 hours (whichever comes first)
Electronic Fuel	12 Months or a cumulative usage of 1000 hours

Injection	(whichever comes first)
Air Filter Assembly	12 Months or a cumulative usage of 1000 hours (whichever comes first)
Motor	12 Months or a cumulative usage of 1000 hours (whichever comes first)
Other Consumables and Standard Parts	No Warranty

Vulnerable Parts	Warranty Period
Impeller Pump	3 months
Centrifugal Sprinkler	3 months
Pressure Centrifugal Sprinkler	3 months
Flowmeter	3 months
Liquid Level Gauge	3 months
Load Sensor Module	3 months
Solenoid Vent Valve	3 months
Landing Gear	15 Days
Hose	15 Days
Propellers and Propeller Adapter	15 Days
Aircraft Cable and Charger Cable	15 Days
Other Accessories	15 Days
